

## 5 questions:

- 1. How would you behave if a direct competitor joins in the ecosystem?**
- 2. How are you willing to support the needs of the ecosystem?  
(commitment)**
- 3. I would step out if...**
- 4. Outcomes that we need the most?**
- 5. When do we want to see outcomes? (timeline agreement)**

UP: Commitment to concrete actions, prepare/update ecosystem basic principles workshop/ document

OUT: move from build back to explore (if later in the ecosystem life stage)

## **OUR ECOSYSTEM AGREED ON BASIC PRINCIPLES for the 5 questions:**

- 1. How would you behave if a direct competitor joins in the ecosystem?**
- 2. How are you willing to support the needs of the ecosystem?  
(commitment)**
- 3. I would step out if...**
- 4. Outcomes that we need the most?**
- 5. When do we want to see outcomes? (timeline agreement)**
